Biography

After graduating from Dokuz Eylül University, Business Administration Department at 2003, I worked as a research assistant for 8 years in Celal Bayar University and Istanbul Kültür University. After Phd. Degree in Statistics I have been working as an assistant professor Dr. in Istanbul Kültür University since 2012. Besides this I have been working as academic coordinator in SAP Management Unit in our university.

Moreover, I can speak fluent English. Especially, my skills at problem solving, crisis management and long-term thinking and empathy in my social relationships help me in my career life. Especially, I believe that I can add maximum value in statistics, systems engineering, data analysis and data mining.
